Volunteer!

Woldumar Nature Center, a self-funded 501(c)(3) non-profit, seeks volunteers! Located just 5 miles west of downtown Lansing, nestled along the Grand River, this 150-acre facility needs daily, weekly, monthly, and annual volunteers. Opportunities are available in areas such as grounds maintenance (including trail & garden work), facilities maintenance, education program assistance (including historic docent program), office projects (including computer work & bookkeeping), event planning, gift shop assistance, fundraising, board and committee service and much more. Woldumar is dedicated to educating people about the natural environment. If you have knowledge you would be willing to share as a volunteer, let us know.

You really can make a difference.

Special Event Volunteers

Event volunteers are needed in planning, set-up, event activities, and teardown. Event activities include food service, children's games and crafts, admissions, parking attendants, etc. Interested volunteers must call in advance to schedule a time and activity for each event.

Woldumar events include:

- A "Chili" Winter Evening (January)
- Wildflower Weekend (May)
- Gordon's Picnic (June)
- American Heritage Festival (September)
- Rendezvous on the River (October)
- Annual Meeting (November)
- Other events when scheduled
